SWEET DADDY.

By Hal E. Roach. /

Charlie Chase is a stenographer in a local office and being somewhat of a good looking young man and a favorite with the ladies, his boss on receipt of a telegram from a distant brother, requests that Charlie meet his niece on an incoming train and entertain her during her few hours stay in town. Charlie, not knowing the young lady by sight and having but a vague description of her to guide him, he runs into all sorts of laughable mix-ups, eventually finds the right young lady who has been annoyed by a local depot sheik. Charlie hastens to chastise the flirtatious one and puts the young lady on a later train and returns to the office — a hero in the young ladies' eyes.
